

We'll Worry About Technology – You Focus on Your Business

To remain successful, your networks and systems must be operating efficiently at all times. Taking a reactive approach to IT is simply too costly in many ways: lost productivity, dissatisfied customers and enormous repair costs. GlobeNet's Platinum Care Managed IT Services program provides our clients unlimited support for their IT infrastructure. GlobeNet is there whenever and wherever our clients need us, allowing them to grow their business knowing every venture is fully supported from cradle to grave. At GlobeNet our experience, professionalism and customer service orientation empower us to provide absolutely the best customer experience possible.

Rest Assured, We've Got IT Covered

Our fully-managed IT services suite is designed to provide you with 24/7 peace of mind, freeing you to focus on driving your business forward. We monitor your systems, apply patches, protect against viruses, ensure backups are performing successfully, and more. We'll catch (and fix) the little problems before they become big ones – in many cases before you're even aware that there's an issue.

Leave Your IT Troubles to Us, So You Can Get Back to Doing What You Do Best

For an easily budgeted, fixed monthly fee (a mere fraction of the cost of hiring an in-house technician) we'll take away the worry, frustration and considerable cost of managing your IT environment.

GlobeNet's Platinum Care Managed IT Service solution keeps watch over your systems all day, every day—taking action the moment we discover anything amiss. With this proactive approach to IT maintenance, you can focus on your business, and leave the problem-solving to us.
